Meeting Agenda

8-27-2020

6:00 pm DMC Google Meets

<https://meet.google.com/vix-pwdq-wwj?hs=122&authuser=0>

1. Meeting called to order (Mrs. Imboden) @ 6:00pm

2. Approval of minutes (5/19/2020)

Rebecca Anderson motioned to approve previous meeting minutes; Anna Sowell seconded motion; unanimous approval of minutes.

3. Updates on staffing

Our school librarian, Mrs. Conners, retired this year. Mrs. Imboden looking into the law that requires a librarian to see if we can do without for 3 years. Preps will be covered, possibly by having a computer class to fill the specials period. Mr. Fisher will be out until further notice per the district on a leave of absence.

4. Assistant Principal Introduction

Welcome Andrea Heinlen!

5. Budget Update

Count day for the district is September 11th. We are not expecting any staffing cuts at this time. Funding is dispersed in three installments (July, October, and January). The July installment was 2.7 million; \$48,834 went to supplies. The district is expecting to cut about \$125 per student, which could be about \$67,000 for DMC. SGF paid the \$1,500 to Green Our Planet for the garden (plan on providing gardener virtually). Mrs. Imboden discussed voting on using SNWA money to buy \$1,500 of technology for the school. SOT wanted to double check with PTA first as several members were under the impression that the PTA would be paying for garden expenses. The vote/discussion was tabled until the next meeting after discussing with PTA.

6. SB178 Update/Read by Grade 3

The governor removed the SB178 and Read by Grade 3 funding and at first district stated that schools would be responsible for funding programs in plan related to the SB178 money. Recently, district announced that they would be funding the SB178 and Read by Grade 3 programs. Still unclear at this moment what that exactly means.

SB178 from previous year rolls over to new school year and we currently have \$4,800. Apple Core winnings should be coming in at \$7,000 into SGF funds as well, we have not yet received the check.

7. Guidance Document

Sent out by district related to how to check temperatures, effectively run schedules, how to implement wellness checks, etc.

8. Tech Check Out, Supplies, etc.

We had a great turnout for supply and technology pick up. Kinder was given Chromebooks due to late shipment of iPads, but might be able to swap out. Still unsure at this point if the technology provided by district/state will need to be returned or if we get to keep it.

9. Elections for September

Stephanie and Amanda offered to remain on SOT for another school year if nobody else volunteered since last year was cut short. Mrs. Imboden will put out a questionnaire to parents to offer elections and ask Christopher if he would like to remain another year or hold election for the position.

10. Community Chat-box Questions

No community members attended the meeting.

11. New Business

SOT discussed and unanimously agreed to hold meetings on the second Tuesday of each month at 5:00 pm.

Meeting called to end at 7:00pm by Stephanie Pandullo and seconded by Amanda Miller.
